

RAPID DEPLOYMENT MODULE (RDM)

Features and Benefits

- Hard walls, locking doors and windows provide security and safety
- Lightweight wall and floor system produces a comfortable, well insulated interior
- The unit sits on adjustable feet, keeping the floor off the ground and away from insects, vermin and minor flooding
- Lightweight roof is vented, and the shade fly provides passive-cooling and heating
- Set up does not require tools or hardware
- Sets up with 2 people in about 30 minutes
- Multiple configurations include the base unit, showers, latrine, and complete living unit (none of these require any tools to assemble)
- Units can also be interconnected to form multiple configurations
