

# SHOWERS

Part Number WSDK

Two Person Shower System

# WESTERN SHELTER SYSTEMS

ISO 9001:2008 Registered Company

Each WSDK system can be deployed as a two shower system or as a single stall shower with an accompanying private dressing room. Built with the same durable aluminum framing material as all Western Shelter systems, each shower utilizes a snap-lock system on eave and base bars and a hook-and-loop attachment cover system. Covered in a durable 14 oz. vinyl coated fabric with zippered doors, each system incorporates shower catch basins plumbed for the recovery of gray water.

## Key Features and Benefits

- Versatile configurations – 2 person shower or 1 shower/dressing room
- Made of aircraft grade aluminum frame and durable vinyl coated polyester
- Set up in under 15 minutes without the use of tools
- Pre-plumbed for recovery of gray water
- Includes dry bag for use during shower
- Up to 6 WSDK shower systems can be set up inside a Western Shelter 1935 shelter
- Color: Desert Sand

## Standard Components
